A QUICK REFERENCE TO TRANSPORTATION SERVICES

Leander Station is the northernmost stop of the Capital MetroRail Red Line, a 32-mile commuter rail line, that connects nine stations from Leander into Austin.

The Red Line compliments the MetroExpress Bus Routes 983, 986 and 987 that serve Leander and surrounding areas. In addition to providing a pleasant alternative to the conventional commute of single-passenger vehicles, free Wi-Fi is available on board both giving you extra time to work or relax.

Currently, MetroRail operates during weekday morning and afternoon peak hours, same as most express bus services. The MetroRail and MetroExpress can be used in combination to offer an option for people commuting between Leander and Austin.
